Your relationship/role with the young person:	
Signature:	Date:

Arthritis Care, now part of Arthritis Research UK, will be adding your information to a database, where it will be kept securely.

We will use your personal data to contact you to provide information about young people and families services and events. We will also use the data anonymously for reports, for example share with funders how many young people we are in contact with in a geographic area.

We will not use this data for fundraising purposes and we will never share your personal data with third parties' unless there are concerns about a child or adults safety.
